Annual Report 2019-20

# About Us

Founded in 2013, UPES-Hypervision is the only Chapter created at UPES under the mentorship of Dr. Manish Prateek and other faculties. Featuring zero membership fee, UPES-Hypervision is initialized to serve the purpose of peer mentoring which gave students a platform where they could explore and go beyond their friend circle. The family culture aims towards creating a strong alumni base which nurtures and improves the skills of students. Our most popular technical events are Code Hustle, Hackathon, Reverse coding, CSR Activities and many more.

# Summer Excitement Program-2019

UPES-Hypervision along with IBM ventured to organize Summer Excitement Program-2019, on 19th, 20th and 21st May. We saw participation of students in cultural as well as physical events.

Students as well as faculties from different departments participated in various events. We kickstarted with the Inauguration Ceremony and ended with the valedictory ceremony where prizes were distributed to the winners.

# INTELLIGENT LENS

This fun event focused on the photography skills of the students. Each pair of Student was given a set of pictures from around the Campus. The team which managed to gather the most accurate set won the prize. The set had a cue to images.
